

ACT Masters Hockey

Update to Hockey ACT Competition Regulations

Hockey ACT recently updated their Senior Competition Rules as part of the annual review of policies. As a member of Hockey ACT, this policy applies to ACT Masters Hockey Association and its various competitions and events.

Section 8 (Equipment & Officials) states:

8.2.1. All field players must wear shin pads and are recommended to wear ankle and mouth protection in accordance with the FIH.

Your Association and Committee have a duty of care to every player and official and are required to comply with all ACT Masters Hockey Assn, Hockey ACT and Hockey Australia policies and regulations. As such, we ask **ALL** members to ensure the requirement to wear shin pads is complied with in every game.

Player safety remains paramount.

regards,

Craig Johnston

Vice President

ACT Masters Hockey Association / HA State Delegate
